Dear Parents

The Friends of the School committee recently met and have decided to hold two fundraising events over December in order to raise funds for the school. It has been a very difficult time to fundraise in the normal way, therefore we have had to think outside the box this year.

Unfortunately we won't be able to hold a Christmas fair and due to the lack of new parents attending the meetings the current few members don't have enough time to arrange a virtual fair online. We have therefore decided to hold a Christmas raffle online and a virtual Santa fun run.

Christmas Raffle

We will be putting together food and drink hampers as prizes. In order to raise as much funds for the school as possible we are kindly asking parents for donations of food and drinks suitable for hampers. We would be grateful if you could take any donations to the school by Friday 27th November 2020. This will allow us time to sort them all out and put the hampers together and sell the tickets.

We would also be very grateful for other donations such as vouchers or goods from anyone who has their own business or knows any who would like to donate towards raising funds for the school.

We will start to sell raffle numbers online during December. We are hoping to use paypal as a method of payment instead of handling cash. More information to follow.

Sponsored Virtual Santa Fun run

We will be holding a virtual 5k santa fun run/walk or jog. Anyone is welcome to take part and there will be a small prize for all the school children. The race will take place through the month of December, once you have registered you will be able to do the fun run in your own time. We have opened a Crowdfunding page where everyone can sponsor those taking part. More information to follow.

Thank you and we look forward to receiving any donations by the 27th November 2020.
