The School's Councils

This year we have allowed pupils from reception year to Yr 6 to choose which school council they would like to represent. This means that every child is a member of either the School's Council, Siarter Iaith Council or the Eco Council.

The first meeting was held for each council last week and they will be held every half term. The meetings worked really well, the elder children leading the discussions with the younger pupils.

These are the aims for this term:

The Eco Council

- A non-electricity afternoon for pupils – which was held last Wednesday
- Support the National Recycling week
- Support the Walk to School project next month.
- Arrange cycling lessons for Year 6

Siarter Iaith Council

- Support Wales Rugby Team in the World Cup
- Arrange a music / drama /folk dancing sessions for pupils.
- Pupils to learn about the local history arranging local visits to coincide with class themes.

School Council

- Establish a School Radio
- Pupils to have regular Welsh music sessions

Fun Race

Many thanks to you all for supporting the Fun Race and Fair on Wednesday. Over a £1000 was raised. A very special thank you to the dedicated members of the Parent's Committee for their hard work.

These are the overall winners for each year group.
