It is heartening to see such positive feedback, and thanks to all who noted comments, your opinions are greatly appreciated.

**Issues that have been acted upon as a result of your comments from the questionnaires**

Following one parent's comments regarding safety during the breakfast club sessions, the door leading to the Nursery Classes are now closed. This means that access is only allowed to Cefn Du classroom and to the hall, so that all children are in a central place in the event of a fire.

**We are in the process of establishing a school website by the company Delwedd. This will be operational during next term – this will enable parents to have a convenient central access to the school's documentation and procedures.**

**However, please note that if any of these documents are required in the meantime, they are available at the school.**
